

Rooted in Tradition. Made with Love.

T3 Pickles was born from a simple belief — authentic Andhra pickles should taste exactly the way they do at home.

In a world filled with shortcuts, artificial flavours, and mass production, we wanted to bring back the taste of traditional recipes passed down through generations.

Every jar of T3 Pickles is prepared using carefully selected ingredients, traditional spice blends, and time-honoured methods that preserve the richness of authentic Andhra flavours.

From fiery Chicken Pickle and tangy Mango Pickle to aromatic Gongura and refreshing Lemon Pickle, each recipe reflects the love, care, and craftsmanship found in every Andhra kitchen.

Because great pickles are not just food. They are memories of family gatherings, festive meals, and the comforting taste of home.

At T3 Pickles, we are committed to delivering that experience to your table — one jar at a time.
